2. Body Paragraph 1

Topic Sentence of the Body Paragraph 1:

From an overall perspective, there is/are

- two key advantages/disadvantages of X
- a number of advantages/disadvantages of X

Idea sentences: one for each idea (Advantage #1 & #2 from your planning)

Perhaps the main advantage of X is + noun phrase/ that + subj verb

One of the most obvious of these is

A further point in favour of/against is that

Secondly; Furthermore; In addition etc.

Supporting Sentences: to develop your ideas!

Example

For example,

A good illustration of this is that

Cause

This is because

Effect

As a result,

Double Comparative (More/more)

The (comparative adjective) (there is/are), the (comparative adjective) it/they will be

Double Negative

Not Only X but also Y

(Past) whereas (Present)

Unlike in the past, people today + v

Conditional

Etc.

3. Body Paragraph 2

Topic Sentence of the Body Paragraph 2:

Despite these arguments, there are also various disadvantages to X

Despite these arguments, many people feel that has negative aspects..... for a number of reasons

Idea sentences: one for each idea (Disadvantage #1 & #2 from your planning)

Perhaps the main advantage of X is + noun phrase/ that + subj verb

One of the most obvious of these is

A further point in favour of/against is that

Secondly; Furthermore; In addition etc.

Supporting Sentences: to develop your ideas!

Example

For example,

A good illustration of this is that

Cause

This is because

Effect

As a result,

Double Comparative (More/more)

The (comparative adjective) (there is/are), the (comparative adjective) it/they will be.

Double Negative

Not Only X but also Y

(Past) whereas (Present)

Unlike in the past, people today + v

Conditional

Etc.

Sentence 1: Use only if you need some more words!

Ultimately, as with many topics, there are both positives and negatives.

All things considered, it is evident that the advantages outweigh the disadvantages.

Conditional (something about BALANCE!)
